

## Cuvée Edition 3

Everflyht Cuvée Edition 3 is a vibrant English sparkling wine crafted from our single estate vineyard in the South Downs. Farmed using regenerative practices, the vineyard promotes biodiversity and soil health qualities reflected in the wine's clarity and energy. Based on the 2021 harvest, with reserve wines from 2018, 2019, and 2020, this edition gains a layer of depth and complexity, broadening the story of the mid-palate and enhancing its textural richness. On the nose, delicate aromas of orchard fruits, green apple and ripe pear are complemented by hints of citrus zest and freshly baked brioche.

The palate is refined and balanced, with a fine mousse and bright acidity that lifts the wine. Subtle notes of stone fruit and toasted almond add further dimension, leading to a crisp, lingering finish. Cuvée Edition 3 continues the Everflyht hallmark of precision, freshness, and finesse—an elegant expression of both site and stewardship.
